

# **Financial Intermediation Network of European Studies**

[www.finest-network.eu](http://www.finest-network.eu)

**FINEST acts as a forum for Banking and Financial Intermediation research activity with the aim of creating synergies among academics involved in various European universities and practitioners by developing an open research network**

# Main Outputs

## Working papers

The working paper series gives the possibility to share the research effort among all interested researchers dealing with banking and Financial Intermediation issues. At the same time, working papers will be highly viewed in the academic environment.

Working papers will be reviewed following a double-blind review system.

## Research Projects

FINEST promotes research groups, surveys and observatories on specific complex areas of Banking and Financial Intermediation in Europe with the aim to originally contribute to international research on these issues.

## Conferences

FINEST organises periodical conferences on a specific Banking and Financial Intermediation issue.

## Workshops

FINEST promotes workshops to present high quality papers providing authors with a deep and open discussion before the paper submission to top academic journals.

## Summer schools

FINEST organises short summer courses on issues related to banking and financial intermediation in Europe addressed to undergraduate and postgraduate students in accounting, economics, finance and management, academics and practitioners.

## Executive training

FINEST offers seminars and training courses on banking and Financial Intermediation for executives, managers and professionals.
